

Fast Access to Cancer Treatment Support

Oncology Emergencies Launch of the Fast Access to Cancer Treatment Support (FACTS) Campaign

Wednesday 15th September 2010

**Woodlands Suite – Ribby Hall Conference Centre,
Wrea Green, Preston PR4 2PR**

Two Sessions available –

Session 1: 13:00 - 16:00 or **Session 2: 17:00 - 20:00**

Purpose:

1. To help Health/Social Care professionals recognise signs and symptoms of potential oncological emergencies
2. To advise routes to most appropriate treatment
3. To launch “FACTS” DVD and campaign information packs

Objectives:

- Raising awareness for professionals
- Improve quality of care for our patients
- To reduce the number of oncology emergencies
- To treat people appropriately
- Equity of care across professions and across the Network
- To support professionals in making the right decisions

**Open to all Health/Social Care professionals who have contact
with Cancer Patients**

To register for a session go to www.cancerlancashire.org.uk and click book event online.
