## Greater Lancashire Provider Development Day Wednesday 10th February 2010 Myttonfold Hotel, Nr Blackburn

Providers from Greater Lancashire are invited to a development day, looking at how personalised services can work for their business. The day will include a number of presentations, workshops and an interactive group exercise looking at what a person using services would like from their service.

### The day will include:

- information on using a person centered approach
- the self care training toolkit - how a Lancashire provider has utilised this toolkit (download the toolkit from [www.skillsforcare.org.uk/selfcare](http://www.skillsforcare.org.uk/selfcare))
- a presentation from a person using services on personalised services

### workshops

We are hoping to have workshops on:

- the Qualification and Credit Framework (QCF)
- apprenticeships
- the Care Quality Commission
- vetting and barring

Workshop topics will be confirmed in January 2010
